## PARTIAL DIFFERENTIAL EQUATIONS

### General Information

#### Persons

Prof. Dr. Alexander Mielke	alexander.mielke@wias-berlin.de
Dr. Matthias Liero	matthias.liero@wias-berlin.de
Lukas Abel	lukas.abel@math.hu-berlin.de

#### Office Hours (via Zoom)

Prof. Dr. Alexander Mielke	Wed 14h-14h45
Lukas Abel	Mo 10h-11h (starting 12/04)

#### Timetable (via Zoom)

lecture	Wed 9h-11h
lecture	Thu 11h-13h
exercise	Thu 13h-15h

#### Homepage

<https://moodle.hu-berlin.de/course/view.php?id=103665>

Non-HU-students have to create a guest-account in order to access the Moodle-page.

#### Zoom-Link

All lectures, exercise and office hours can be attained via a Zoom-Link which you can find on the (Moodle) homepage. Please be aware that (especially during office hours) there might be either a waiting room or ongoing Break-out-session. In this case we kindly ask you to be patient. Recordings of the lectures or exercises are not allowed.

#### Homeworks

Exercise sheets will be uploaded on Thursday afternoon and consist of four exercises. Two of them will be marked and shall be solved and uploaded by each student via Moodle before Thursday, 13h. The remaining two exercises are to be prepared for discussion. In order to proceed to the exam you have to pass 1/3 of the written exercises and present two oral exercises during the semester. Further details will be given in the first exercise on Thursday 15/04/2021.

#### Exams

(most likely) oral
